Dear Friends,

Two great events are taking place in Caldicot at round about the time you read this.

The first event is at Caldicot Castle on May 14, starting at 3pm when two neighbouring Methodist Circuits join together within the castle grounds to celebrate the birthday of the church, Pentecost, as well as the 90th birthday year of HM The Queen.

There will be lots of fun and activities, music and singing, craft and entertainment for people of all ages.

A true picnic atmosphere is guaranteed, so do come along.

There is no charge, hot drinks are available from the shop at the castle, and all proceeds go to the castle whose management has been terrific in helping our two circuits get this arrangements up and running. Thank you, Louise, you're a star!

The second event is The American Mission Week which starts on May 15 and which will offer us all loads of activities and

opportunities made possible by a group of evangelists coming over from the States, and taking place at so many different venues and times throughout our town.

The week starts with an open air morning service at the Castle led by the Baptist Church, but that is only the beginning.

Publicity with all the details is circulating, and my personal thanks must go to Bethany Baptist Church headed by Reverend John Hall who has been busy organising everything for such a very long time.

Space does not permit me to detail everything that is happening – nor where – just look out for the posters and leaflets, you cannot miss them.

What better time to have all this happening than at Pentecost, when God sent His Spirit to 'speak' and engage with people of all nationalities, languages and backgrounds?

Whether you are a long-in-the-tooth Christian or just starting out, come and join in all the fun and happiness this week.

the week
