

The **Methodist Church** 

## Shaftesbury Methodist Church

Shaftesbury Street, Newport

**How to get here:** [Click for Google Map](#)

The church looks out over the Harlequin Roundabout junction and is situated on its own slip road which was the original Shaftesbury Street. From the M4 J26 (from West) or J25 (from East) follow signs for Newport City Centre and Railway Station.

At the Harlequin Roundabout, take the exit for 'Lyne Road Industrial area'. The 'Old Rising Sun' / New Indian Restaurant is on the corner.

**NOTE:** This next step requires some care:

Do not turn left into Lyne Road, but go Straight Across at the yellow box junction, into Evans Street. Then turn immediately Right into the slip road, Shaftesbury Street which takes you to the front of the church.

Parking space is limited during weekdays, but there is plenty of room in nearby streets, or in Sainsbury's nearby.

**By rail or bus to Newport**  
then any bus to **Malpas Road** from Newport Bus Station, or 5 minute walk.
