BE MY VALENTINE?

St Valentine's Day falls on 14th February and since the 18th Century has been associated with the declaration of love, albeit anonymously. Originally this might be through the offering of sweets or flowers, and now more commonly by the sending of an unsigned card.

One suggestion is that St Valentinus was a Roman Christian who performed weddings for soldiers in the Roman army, even though they were not permitted to marry. According to this story, Valentinus was sentenced to death for his offence, but during his imprisonment prayed for the blind daughter of his judge, who miraculously recovered. Before his execution he left her a note, which he signed 'Your Valentine.'

All of us long to know that we are loved by someone, but declaring our love to another is always a risky business since we may be rejected. They may consider us not attractive enough, or unsuitable in any number of other ways. The pain of unrequited love is indeed great, and so many of us hold back because of the fear of rejection.

One thing we can be sure of, however, is that we are loved by God. He loves us because He made us, and likes us as we are. He loves us because He gave His Son to die for us, and thought we were worthy of such a sacrifice. Here is One who knows everything about us and loves us just the same. His love is unchanging and unending and we need never fear His rejection.

Here is the best declaration of love ever made. God says to you, "I have loved you with an everlasting love (Jeremiah 31:3)."
