Pastoral Letter

Dear Friends,

There are two things I would like to share with you this month.

The first is a friendly reminder that no one connected to the church, including myself and other members, will ever ask you for money via email. If you receive any emails asking for money, please ignore them as they are a scam! We want everyone to stay safe.

The second is a brief update from the Methodist Conference that took place in Telford from 28 June to 2 July this year. "The Conference is the governing body of the Methodist Church in Great Britain and meets annually to discuss matters affecting the life of the Church, the nations and the world." This year, they discussed things like healing ministry and neurodiversity, making changes to the Methodist worship book, a stationing review, and assisted dying, as well as the yearly business of ordaining and welcoming new ministers into full connexion.

If you would like to read more about the work that was done at conference, you can check out the digest and find other links here:
